Campbellot, Knights of the round table Mawat, Awahili, and Shakori Districts Camp Campbell Virginia

This year's theme is Monty Python, Knights of the Round Table.

Events have been chosen by youth staff. They range from the Knights Who Say "Ni!" Land Navigation Course, battering ram to the bring out yer dead! first aid relay, three headed giant race, bridge of death, lake jousting, and a canoe tug of war, amongst others. This year, units will be encouraged to make a rabbit instead of a boat. The goal is to hide Scouts in your rabbit as they try to cross the field as fast as they can.

As always we need units to help staff individual events.
